Snoqualmie Valley Riding Club Sponsorship Form

Snoqualmie Valley Riding Club was formed in 1947 to promote and encourage good sportsmanship in horseback riding and to advance the education of the care, riding and training of horses.

We are a family and community-oriented organization that offers horse shows, trail rides, gaming competition, fun shows and clinics throughout the season. We lease our facility for same type of events. By sponsoring our organization, you will be helping to secure the future of a great program and a 72-year-old history for our wonderful Valley.
